PRAYERS OF THE PEOPLE

We continue to pray:

- Lament and healing in the **City of Santee** after the recent plane crash, especially for the neighborhood directly affected: by loss of life and home.
- For the family of **Bill Conklin**, especially his wife Lin, as he passed to his eternal rest early this past Friday. May God's light shine upon them.
- For **Pam Meyers**, whose brother **Jim**, passed away recently after surgery for a collapsed lung (Pam Meyers)
- For the **family of Karen** (Hamilton) - whose life support was ended as she was surrounded by her loved ones (*Marvin Hamilton*)
- For **Nathan**, struggling with knee pain. We pray that his MRI shows the doctors what is causing his so much pain and that he gets long-term relief.
- For **Gail**, struggling with cancer and now on hospice, wishing she could be at home for her final days. Pray for her continued strong faith, and for her sister and nephew who have been her caregivers. (*Kris Francis*)
- Also keep former members of CHLC in your prayers, **Vicki and Dick Haas**. Vicki is the caregiver for Dick who is on hospice care and Vicki ended up in the hospital earlier this week.
- And for **Russell** who has been discharged on oxygen and is in quarantine for 14 days. He's still considered positive for COVID-19, but is able to take care of it at home now. (*Thank you for all of your prayers. Please keep praying for his complete healing. - Penny*)
- For friend **Rich** who has a bacterial infection in his bones and is anticipating surgery soon. (*Steve Griffin*)
- For **Jillian & Weston Smith** and their 3 children, who lost their home to fire in Alpine; thankful all are safe (*Adam Wentz*)
- For **Ed and Donna**, friends of the Strand's for healing as both recently tested positive for Covid, (*Strand's*)
- For **Tricia** who is recovering from a stroke and partial paral-
