POSTLUDE: "Postlude on 'O Come, Divine Messiah' " (16th Century French Advent Carol) by César Franck

PRAYERS OF THE PEOPLE We pray for:

- Lament and healing in the **City of Santee** after the recent plane crash, especially for the neighborhood directly affected: by loss of life and home.
- For my son, **Justin**, and his wife, Angie, as they await notification of the date for his open heart surgery. (Roger Barnes)
- For the family of **Bill Conklin**, especially his wife Lin, as he passed to his eternal rest just after Thanksgiving. May God's light shine upon them.
- For **Jeanne** who is dealing with an infected hematoma and has been hospitalized (age 93) (Laura Vaughan's mother)
- Peace for **Mark** as he entered into God's eternal rest and peace, free from the imprisonment of Parkinson's and dementia. (Randy)
- For **Marsha** Setzer, who fell from a ladder last week and broke her elbow and ankle, for continued good healing after surgery to repair her Achilles tendon. (Jean Setzer's daughter)
- For **Nathan** Wentz, struggling with knee pain. We pray that his MRI shows the doctors what is causing his so much pain and that he gets long-term relief.
- For **Gail**, whose long struggle with cancer ended recently, for those those who knew and loved and cared for her in her final days. Pray for her sister and nephew who served as her caregivers. (Kris Francis)
- For **Sigrid** Thode as she awaits results of an MRI brain scan from last week (Pastor Andreas)
- For **Vicki and Dick** Haas (former members of CHLC), for Dick who is on hospice care and Vicki as his caregiver who was also briefly hospitalized last month. (Darrel Timan)
- For friend **Rich** who had surgery for a bacterial infection in his bones recently. (Steve Griffin)
- For **Jillian & Weston** Smith and their 3 children, who lost their home to fire in Alpine; thankful all are safe (Adam Wentz)
- For **Russell** who has been discharged on oxygen while still positive for COVID-19 and continues on quarantine. (Spouse Penny thanks for our ongoing prayers for complete healing.)
