A NOTE ABOUT THE PRELUDE:

This music is offered to the Glory of God and in loving memory of my mother, Elvira Barnes, as well as in celebration of all mothers on Mother's Day. When I played my Senior Recital in college on Mother's Day, 1976, this piece was included in the program and dedicated to her. Before she died, she asked me to include it in the music I would be playing for her funeral. Of all the music I played over the years, this was her favorite.
